ALL-COUNTY INFORMATION NOTICE NO. I-80-91

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY GAIN COORDINATORS

SUBJECT: GREATER AVENUES FOR INDEPENDENCE (GAIN) 25

The purpose of this All County Information Notice is to inform you of changes to the GAIN 25 definitions of SIP Activity (Line C15) and Funding Related Exclusions (Line E2).

Effective with the November report period, the instruction for Line Item C15 should be changed to read:

Enter the number of participants in Vocational Training and Education who are Self-Initiated Program (SIP) participants on this line. This number is a duplicated count since the registrants are also counted in the Vocational Training and Education (C6) Component.

The reason for this change is to identify SIP's according to the federal definition of self-initiated education or training for the FSA 104 reports.

Effective with the November report period, the instruction for Line Item E2 should be changed to read:

Include only those clients who are current registrants, have received a referral to Orientation, and who have either been removed from participation or have not been permitted to participate in a component activity due to lack of funding as specified in the GAIN statute and regulations under MPP 42-720.6, "CWD Reduction Plan".

This change is being made to ensure consistency with the changes previously made to the GAIN 25 (All-County Letter No. 91-01) concerning the determinations of program registrants.

If you have any questions or concerns regarding this change, feel free to contact your GAIN Operations analyst or Mr. Curtis Howard, GAIN and Employment Services Operations Bureau, at (916) 654-0695.

Sincerely,

A handwritten signature in black ink, appearing to read "D. J. Boyle", written over the typed name.

DENNIS J. BOYLE
Deputy Director
